<input type="checkbox"/> 802.11b		
<input type="checkbox"/> 802.11g		

- Notes: 1. If neighboring booths plan to use same channel, the Management Office will ask one or both to use different channels. This is to avoid communication problems due to channel interference and/or SSIDs in neighboring booths by adjusting channels in advance.  
The Management Office cannot guarantee that every exhibitor will be able to use the channel it specifies in the application.
2. It is possible that channel adjustment may cause interference with the channel you have been allocated. We recommend that you have a cable system ready as backup in the event that interference affects your wireless LAN.
3. This application is only to apply for a wireless LAN in your booth, not including Internet connection order placement. If you wish to use the Internet, the Application for Internet Connection should be submitted separately.
4. This application does not include wireless microphone channel adjustment. Wireless microphone adjustment should be arranged among the exhibitors involved.
5. Please note that this submission does not guarantee that communication will be possible within your booth.
