

【Press Release】 Inter BEE 2022 Attracts 26,901 Visitors to Makuhari Messe

Online Venue Open until Friday, December 23

The Japan Electronics and Information Technology Industries Association (JEITA; Representative Director/Chairman Takahito Tokita, President & CEO, Fujitsu Limited) announced that Inter BEE 2022, a comprehensive media event held at Makuhari Messe for three days from November 16 (Wed.) to 18 (Fri.), 2022, has concluded. The Makuhari Messe venue which had 810 exhibitors and 1,391 booths, attracted 26,901 visitors. The online venue (<https://www.inter-bee.com/>) will remain open to the public until December 23 (Friday), and archived videos of conferences held at Makuhari Messe (with some exceptions) will be distributed sequentially from November 24 (Thursday).

The next Inter BEE 2023 is scheduled to be held at Makuhari Messe for three days from November 15 (Wed.) to 17 (Fri.), 2023. Details will be announced later.
